## **QUESTIONS & ANSWERS:**

**Question 1:** As it pertains to RFP-003-2017, which was uploaded last week and due on December 2, 2016, will vendors be able to submit electronically due to short turn around?

**Response:** No. Electronic copies are not acceptable.

**Question 2:** RFPs requires time and much detail in order to provide each requested document. If an electronic copy is denied, will there be an extension for hard copy submitting?

**Response:** Proposal due date will not be extended.

**Question 3:** According to the RFP, the deadline to submit proposals is Friday, December 2, 2016, however the dates indicated for the three day conference is to be held the first week of December, 2016 (I am assuming this would mean December 5–9). However, the dates indicated for the two-day job embedded school support is to start December 8-15, 2016. Are these dates correct and/or flexible?

**Response:** The conference dates and job embedded school support dates are flexible. The job embedded support dates must be completed by December 31, 2016.
